## THE WHITE HOUSE

WASHINGTON

PRESIDENT'S INTELLIGENCE OVERSIGHT BOARD

May 18, 1983

Dear Bill:

The President's Intelligence Oversight Board is interested in visiting CIA Headquarters on Tuesday, July 12, 1983, if that date is convenient with your schedule.

In addition to meeting with you and John McMahon, and perhaps taking a brief tour of the facility, we thought this might be a good opportunity to receive another update briefing on covert activities. As you know, six months will have passed since the last briefing.

If this proposal meets with your approval, you might have a member of your staff contact our Counsel, Bob Turner (456-2530), to work out the details.

With best wishes, I am

Sincerely,

W. Glenn Campbell Chairman

The Honorable William J. Casey Director of Central Intelligence Washington, D. C. 20505
